ALBERTA EDUCATION  
DOCUMENTS CATALOGUE

MARCH 1989

This catalogue was created to provide a listing of all materials published by Alberta Education which are catalogued by and located within the Alberta Education Libraries System. The catalogue provides author, title/series, subject and shelf location access.

The online database from which this catalogue is produced is constantly updated as Library Services catalogues new titles into the collection. Monthly acquisition lists are produced to update this catalogue.

NOTE: Please discard the previous catalogue, which this new edition replaces.
